

รายงานการติดตามประเมินผลการใช้จ่ายเงินของพรรคการเมืองที่ได้รับการจัดสรรเงินจากกองทุนเพื่อการพัฒนาพรรคการเมืองประจำปี 2543

Abstract: According to Organic Act on Political Parties, B.E. 2541, Political Party Development Fund was founded and having been allocated budget by the government since then. The political parties had to propose regularly their action plans and projects to the Fund therefore. It needs to conduct an evaluation of activities following those plans. Objective of this study is to follow up the political parties' expenses of the fiscal year 2000 to see the efficiency of project implementation, to realize any arising problems, obstacles or impacts of the implementation and to find out a decent strategy of project management. The outcome could be used to support the development of the political party system to be much more strengthening.
