

## โครงการศึกษาเพื่อจัดทำกฎหมายว่าด้วยการรับขนของทางถนนระหว่างประเทศ

Thailand has a consideration to participate in Convention on the Contract for the International Carriage of Goods by Road (CRM Convention), this project is therefore undertaken to study significant treaties, conventions and agreements relating to road transport of various countries in North America, Europe and Southeast Asia. In addition, Thai Act of Carriage of Goods by Sea, B.E.2534 and Draft Acts of Carriage of Goods by Air and Multimodal Transport are considered. Scope of the study emphasizes on pattern of agreements, liability of contractors and advantages as well as disadvantages of becoming a member of CRM.
